

AYELEN LLAMPA

Full Stack Web Developer

SUMMARY

I'm a creative and results-driven full-stack developer. I'm highly organized, proactive and punctual with team-oriented leadership mentality.

My expertise lies in web design and development, and I have a proven track record of improving processes, propose ideas, increasing efficiency, boosting team morale as a member of project groups.

Above all, I'm passionate about technology, thrive in collaborative environments and open to new challenges.
